Liliana cosmetics

Gild yourself from the skin to the soul.

LILIANA rises from the bottom of the soul to inspire billions to fall in love and celebrate their uniqueness. Inspired by a belief that every one of us is a perfect creation of nature with a fragment of miraculous, our concept coalesces two dimensions: plants and gold.

We firmly believe that the path to true happiness lies in accepting and loving yourself. Inspired by that, we have created an exceptional line of body makeup and cosmetics products that can help you conceal your imperfections and adorn your qualities by gilding yourself.

ORIGINATING IN EXCEPTIONAL INGREDIENTS & SUPERB LUXURY ITSELF – GOLD.

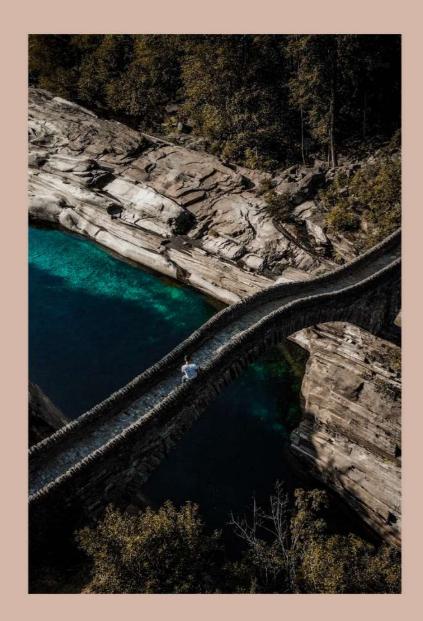

Developed in Switzerland, our original concept combines two approaches to craft superb cosmetics.

We have developed a special formula that successfully fuses raw natural ingredients with 24k Gold petals.

The art of combining precious ingredients has brought out the unique Liliana cosmetic line.

# WE ORIGINATE from Switzerland

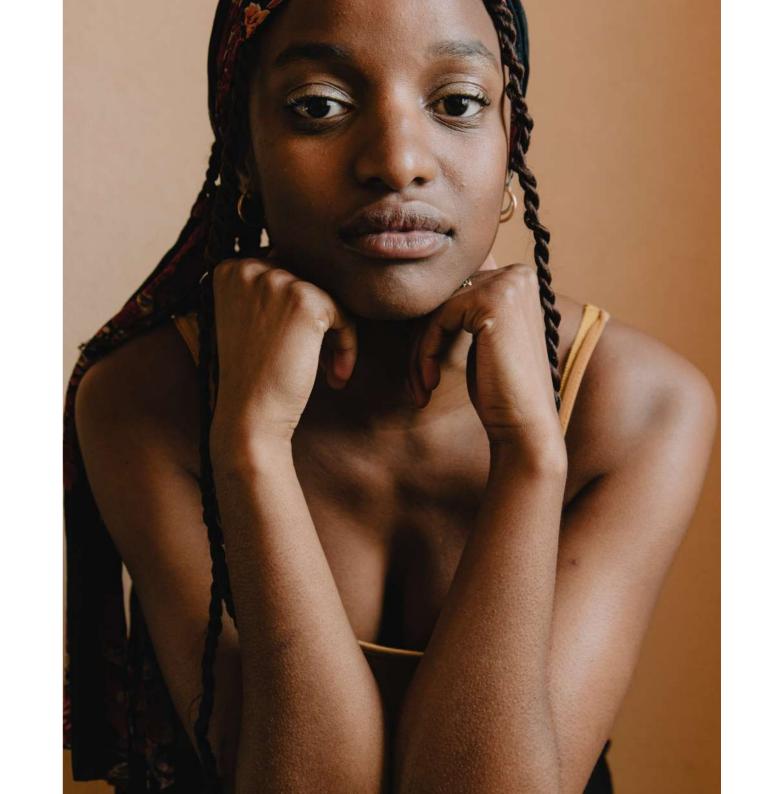

# WE USE ONLY EXCEPTIONAL NATURAL INGREDIENTS.

## WE ARE ON A MISSION

We want to create a more inclusive, selfaccepting, and welcoming space in the world of beauty. We aspire to encourage men and women to celebrate their individuality and unique concepts of beauty.

With an aspiration to beautify and inspire you from the skin to the soul, we have created a body makeup and cosmetics line that will empower you to embrace your strengths and flaws into a perfect whole.

We believe in natural beauty.

We believe in love

We believe in self-love.

We believe in nature.

We believe in quality

We believe in life.
We believe in authenticity.
We believe in confidence.
We believe in beauty.

# BODY LOTION

Mildly scented, natural, and gentle Liliana Body Lotion is your first natural ally for a balanced skin routine. The scarce natural ingredients in our body lotion can revitalize the skin and invigorate and promote the splendidly soft skir tonus.

#### BENEFITS:

Provides nutrients to the skin Smooths skin's texture

#### Coconut Oil:

Coconut oil is a famous natural anti-inflammatory and antioxidant natural extract. It hydrates and smooths the skin, acting as a natural barrier for various kinds of bacteria and microorganisms. It sustains overall skin integrity.

#### Monoi de Tahiti:

Monoi de Tahiti is a scented elixir made from coconut oil and tiare flowers. Its exceptional hydrating and protective qualities make it an irreplaceable modern skincare ingredient. This oil has significant age-defying properties due to Vitamin E and ferulic acid.

#### Aloe Vera:

This magnificent oil has been used for centuries as a skin-beneficial treatment. It is abundant in vitamin E, which makes it perfect for hydration and skin smoothness.

#### Almond oil:

This magnificent oil has been used for centuries as a skin-beneficial treatment. It is abundant in vitamin E, which makes it perfect for hydration and skin smoothness.

# Other ingredients:

Aqua, Cocos Nucifera (Coconut) Oil, Dicaprylyl
Carbonate, Pentylene Glycol, Dibutyl Adipate, CocoCaprylate, Cetearyl Alcohol, Cetearyl Glucoside,
Parfum, Prunus Amygdalus (Sweet Almond) Dulcis
Oil, Panthenol, Aloe Barbadensis (Aloe Vera) Leaf

### BODY LOTION 24K

Gild yourself with the unique 24k Liliana Body Lotion.

In a desire to create an exquisitely luxurious experience— we have formulated a gilded body lotion. This rich cream helps the skin feel satin smooth. Infused with coconut oil, aloe vera, monoi de Tahiti, and almond oil extract, this lotion is a luxurious experience in a bottle. Created for the ones who yearn to experience more and willingly choose the best. Apply to body and hands throughout the day.

#### BENEFITS:

Results in a gilded finish

Hydrates and smooths the skin texture

#### GOLD:

Gold has been famous for centuries for its beneficial characteristics for the human body. Gold ions stimulate the skin cells and ignite the revitalization. The properties of Gold had been recognized in many ancient civilizations as healing, restoring, anti-bacterial and anti-inflammatory skin and body means. It can genuinely help the skin to maintain moisture level.

#### Coconut Oil:

Coconut oil is a famous natural anti-inflammatory and antioxidant natural extract. It hydrates and smooths the skin, acting as a natural barrier for various kinds of bacteria and microorganisms. It sustains overall skin integrity.
